

Directions to DFRC from LAX:

104 mi, approx. 2 hrs travel time (3 hrs with traffic)

- Get on the 405-N (use either north on Airport Blvd. to LaTijera, W. Manchester, or Century Blvd from the Rental Car lots - all three have 405-W entrances)
- Stay on the 405 until it merges with the 5-N, then in a few miles exit slightly to the right onto the 14-N toward Palmdale
- After going over the mountains into the "high desert", continue on the 14 through Palmdale and Lancaster (Note: there are many hotels along this area if you are staying the night)
- Continue north on the 14, and exit at the Rosamond exit,
- At the end of the ramp, turn right onto Rosemond Blvd toward EAFB
- At the EAFB Gate, show your Gov't Secure ID "CAC" Badge. (Note: if you don't have a Gov't "CAC" Badge, use the left lane and follow signs to Visitor Parking just before the USAF Gate. You'll need to walk into the Gatehouse, and show your Driver's License to get a Car Pass. We have to call your name into the USAF Gate to allow admission. Call us if your name isn't on that day's List, or have any other problems.)
- After driving past the USAF Gate, continue straight on Rosamond Blvd. After passing through most of the USAF Base Buildings, continue past the base warehouse area, and continue as the road narrows to 2 lanes.
- Continue past the next STOP sign, and turn right onto Lilly Ave (see NASA sign) and follow the below Map to

North
the **NASA Visitor Parking** and **Bldg 4825**. Call us if you have any problems at NASA Security. Call us when you are close to getting your NASA Badge, and we can meet you and escort you to the **Global Hawk Hangar** (see map) **Bldg. 4801** or the **B-4840 GHOC**.
